# Quick Reference Referral Guide *for Substance Use Treatment*

KnowMoreGenesee.org

**ABOUT OPIOID ADDICTION**  
Genesee County Opioid Prevention Project

As a Genesee County provider encountering changes in legislation regarding utilization of the Michigan Automated Prescription System (MAPS), and navigating the substance use treatment system with your patients, the Greater Flint Health Coalition and its Mental Health & Substance Use Task Force offer this referral guide as an introductory resource.

## The First Step: Accessing Substance Use Treatment

**1** If an individual has **Medicaid, is uninsured, and/or has general questions**, they may call or visit (during business hours) **the Genesee Health System Access Center** at:

- 810-257-3740 (crisis line available 24/7)
- TTY 810-232-6310
- Toll-Free 877-346-3648
- 420 W. Fifth Avenue, Flint, MI 48503 – Open Monday through Friday, 8 a.m. to 5 p.m.

Please have the following information available when calling to expedite the process:

- Name, date of birth, social security number
- Medical insurance card or numbers, including Medicaid (if applicable)
- Names of current medicines and doctors

- Guardianship or court papers (if applicable)
- Special education or other school records (if applicable)
- Drug (quantity, frequency)
- Services needed (detox, inpatient, outpatient)

Fees for services are based on a person's ability to pay; therefore, staff will need to know the household income and number of dependents of the person seeking help. A coverage determination will be made at the time of the screening. Staff will let you know if you can expect to have any cost for your services. No one will be denied services based on their inability to pay.

**2** If an **individual has insurance other than Medicaid**, call the insurance plan directly to determine covered services and providers.
